

# McAdam Beautification Grant Application Overview

*“The aim and objective of the McAdam Beautification Committee is to further enhance the village’s appearance for citizens and visitors alike”*

The objective of the McAdam Beautification Grant is to support and enable community groups and citizens to take action and pride in our community to enhance the vitality, sense of pride and overall quality of life.

**Details** - McAdam Beautification Committee will grant up to \$500 to projects that help enhance *public* spaces. Additional funding can be considered based on scope and merit.

**Eligible applicants** - Business', organizations, schools, churches and citizens.

**Eligible expenses** (includes but not limited to) - Paint and supplies, shrubs, flowers, cleaning supplies, flower boxes, displays and landscaping expenses.

**Ineligible expenses** - Tools, wages, materials for residential properties.

**Reporting Requirements & Management** - McAdam Beautification Committee will review and approve applications based on priority and criteria. All projects must adhere to the committees' overall plans and vision for McAdam. Any purchases required will be

administered and arranged through councillor Taylor Gallant, so purchases can be made at local business whenever possible.

### **Examples**

- My church or local business wants to build cedar flower boxes and plant flowers in them to put at curbside. Is this eligible? - YES! This would be eligible for review.
- My siding has fallen into disrepair, and I would like it updated. Is this eligible? No, that is a residential improvement.
- I would like to see an additional flower garden in a park. Can I apply to have flowers, soil and mulch expenses covered? YES! This would be eligible for review.
- I would like to plant flowers in my front yard. Is this eligible? No, that is a residential improvement.
- I have noticed some picnic tables in the park need of painting/staining. Can I get paint to paint them? YES! This would be eligible for review.
